

IMPORTANT NOTICE

Regarding LX900 Pigment Ink

1. For best water resistance print on Primera's **Tuffcoat Extreme Polyjet** or Primera's **Tuffcoat Extreme Matte BOPP** label stock.
2. You must use a pigment-only print head with your LX900 pigment ink. Mixing pigment ink and dye ink will cause poor print quality, reduced water and scratch resistance and damage to the print head or printer. **Pigment Print Head = Part # 53472**
